*Division A W-L-T is inaccurate when it comes to your "extra" game. Your score from BOTH games are combined so that if you won the first game 12-11, but lost the second game 0-9, it will be recorded as an "L" here because your total combined score is less than your opponent's. **NOTE** that the WLT here is for QUICK REFERENCE only and is NOT used to calculate your standings. For your correct WLT record, go to the Standings.
